

WILSON TERMS VERSAILLES PACT A "JUST PEACE"

**President Gets Hearty
Welcome on Return
From France**

BULLETIN
WASHINGTON, July 8.—President Wilson returned to Washington at midnight after an absence of four months at the Paris peace conference. He was accompanied by Mrs. Wilson, Miss Margaret Wilson and by Vice President Marshall and most of the members of his cabinet who greeted him on his arrival today at New York.

The presidential party was greeted at the station by a crowd of several thousand persons who had waited several hours. After brief welcoming ceremonies, the president and Mrs. Wilson drove directly to the white house.

NEW YORK, July 8.—President Wilson returned to the United States today and, in his first speech delivered on American soil since the peace treaty was signed, declared that the peace concluded at Paris was "a just peace, which will safeguard the world from unnecessary bloodshed."

Refers to Political Opponents.
The only reference the president made to his political opponents was when in referring to the negotiations at Paris, he said "I am afraid some people some persons, do not understand that vision. They do not see it. They have looked to omich upon the ground. They have thought too much of the interests that were near them and they have not listened to the voices of their neighbors. I have never had a moment's doubt as to where the heart and purpose of this people lay."

The president arrived at the Hoboken army pier, formerly the dock of the Hamburg-American Line, shortly before 3 o'clock. The army transport George Washington, on which he sailed from New York, was escorted by a fleet of destroyers and smaller naval craft. On the New Jersey shore, the state which first honored Mr. Wilson with a political office were passed 10,000 school children who welcomed their chief executive of the nation with the strains of the national anthem.

Thru the lines of the children, all dressed in white, the president passed to the ferry which carried him to the Manhattan side of the river. He arrived in New York at 4:15 p. m., where he was greeted by the official reception committee headed by Governor Smith and Mayor Hylan. From the ferry terminal to Carnegie Hall a distance of about three miles, the presidential party passed thru streets lined with cheering thousands of men, women and children who thronged the sidewalks and filled every available window and roof top.

Full Text of Speech.
The full text of President Wilson's speech at Carnegie Hall, follows:
"Fellow countrymen:
"I am not going to try this afternoon to make you a real speech, I am a bit alarmed to find how many speeches I have in my system undelivered, but they are all speeches that come from the mind and I want to say to you this afternoon only a few words from the heart."
"You have made me deeply happy by the generous welcome you have extended to me but I do not believe that the welcome you extend to me is half as great as that which I extend to you. Why, Jerseyman, tho I am, this is the first time I ever thought that Hoboken was beautiful. I have really, tho I have tried on the other side of the water to conceal it, been the most homesick man in the American Expeditionary Force, and it is with feelings that it would be vain for me to try to express that I find myself in this beloved country again. I do not say that because I lack in admiration of other countries."

Softens Homesickness.
"There have been many things that softened my homesickness. One of the chief things that softened it was the very generous welcome that they extended to me as your representative on the other side of the water. And it was still more softened by the pride that I had in discovering that America had at last convinced the world of her true character. I was as welcome because they had seen with their own eyes what America had done for the world. They had deemed her selfish. They had deemed her devoted to material interests. And they saw her boys come across the water with a vision even more beautiful than that which they conceived when they had entertained dreams of liberty and peace."

"And then I had the added pride of finding out by personal observation the kind of men we had sent over. I had crossed the seas with the kind of men who had taken them over, without

Wilson Brings American Draft Of Peace Treaty

NEW YORK, July 8.—President Wilson on his return to the United States today brought with him the American draft of the German peace treaty and several protocols which he will present to the senate Thursday. The German treaty makes 450 printed pages with French and English texts side by side. It differs in many respects from the original draft of the treaty which was published in the United States but in essentials it follows the original draft.

The president also has with him the treaty by which the United States promises to assist France if she is attacked by Germany which he may present with the treaty and the message which he will read to congress.

The message which the president wrote on the George Washington, contains about 5,000 words and deals mainly with the broad general phase of the war and peace.

The President, who left for Europe December 4 nearly seven months ago, was accompanied on the George Washington by a number of economic and financial specialists including Bernard Baruch, Vance McCormick, Norman Davis, Thomas W. Lamont, and Professor Taussig of Harvard. The supreme economic council at Paris has virtually ended its activities altho Herbert C. Hoover will remain there until a final decision is reached.

The American members felt that the council should dissolve but the British and French members favored continuance of its work.

The returning economists and experts bring much material and information showing the economic phases of the peace treaties. On the effect of the German treaty on the United States a memorandum by Professor Taussig says concerning customs duties and navigation:

"The United States gets no special advantages and incurs no disadvantages. We became assured for the next five years of most-favored-nation treatment as regards import duties."

"We became assured also of completely equal treatment on the same footing as German ships and other ships for our shipping in German ports."

"A treaty will have to be concluded for a permanent arrangement to take effect when the five year period is over."

One of the summaries made by Mr. Baruch reviews how the German treaty affects citizens of the United States in their industrial property rights, such as patents and trade marks.

Americans who were prevented during the war from patenting inventions or registering trade marks in Germany or other signatory countries may do so now. The treaty provides that applications for patents in Germany may be made within six months after the treaty becomes effective. Patents may be renewed in Germany or any of the other signatory countries by fulfilling the requirements of the war period beginning August 1, 1914.

DELAY START OF DIRIGIBLE R-34
MINNOLA, N. Y., July 8.—Major G. B. Scott, commander of the Great British Dirigible R-34, tonight informed the crew that the start of the return voyage to Great Britain scheduled for dawn tomorrow would be delayed at least eighteen and possibly twenty four hours.

This action was taken after receipt from the weather bureau at Washington of reports that whereas head winds over a considerable part of the course would set in along the Atlantic coast north of New York Thursday or Friday, it is apparent that officers and crew are keenly disappointed at the delay.

MAY NOT VOTE ON ENFORCEMENT BILL THIS WEEK

Opponents Make Every Effort to Delay Consideration

WASHINGTON, July 8.—The house by adopting 235 to 59 today, a special rule for immediate consideration of prohibition enforcement legislation indicated sufficient votes to enact the measure without the twelve hours of general debate allotted members anxious to speak for and against its passage.

But despite this big majority and the promise by Chairman Volstead of the judiciary committee that all of the time set aside might not be used, indications tonight were that a vote on the bill itself will not be reached this week. Every effort was made today by anti-prohibitionists to delay consideration by claims of no quorum, demands for roll calls and by forcing the reading, word by word of the printed text of the bill.

Will Split Bill Later.
All these attempts at delay were accepted with good grace by the majority until Representative Caldwell of Illinois and Representative Caldwell of New York, both Democrats, brought a protest from members who declared they were endeavoring by dilatory tactics to slow up the proceedings. Less than two of the twelve hours for debate had been used when the house adjourned to resume consideration Thursday, tomorrow being calendar day. No attempt was made today to enact the bill or to take out the first part relating solely to enforcement of wartime prohibition with a view to its early passage. This, however, will be done later and while members fighting for modification or repeal of the wartime act are hopelessly in the minority, they announced their determination to keep on fighting until the whole question of enforcement legislation was settled in the house.

The principal speech in support of the judiciary committee's report was made by Chairman Volstead who declared he did not belong to the Anti-Saloon League and had never made a prohibition address. Present day conditions showed the need of enacting additional legislation the chairman declared because of the attempt to set the wartime act at naught by dealers selling 2 1/2 percent beer. For an hour or more the chairman stood as a smiling target, while anti-prohibition members interrupted him time without number. Frequently the house was in an uproar.

Refers to 2 1/2 Percent Beer
Referring to the 2 1/2 percent beer controversy Mr. Volstead said he had found by examining the records and by consulting druggists that if a man drank one hundred glasses of that beverage he would get in alcoholic content exactly seven beer glasses of the strongest whiskey, or the chairman explained, if a man took only fourteen glasses of beer he would get the same amount of beer glass of strong whiskey. And this one glass of whiskey, he contended, was sufficient to make anybody drunk.

Once when Representative Caldwell interrupted him to say that during the influenza epidemic last year whiskey was the standard remedy, Representative Layton, Republican of Delaware, who is a physician, took vigorous exception.

Mr. Volstead told the house that in his opinion one congress could define intoxicating liquor as a beverage containing one half of one per cent alcohol, while another congress might put quite a different construction on it.

FRENCH HONOR GENERAL MANGIN
PARIS, July 8.—General Mangin has been awarded the grand cross of the Legion of Honor.

General Mangin, one of the most prominent French leaders during the war first came into general notice by his counter-offensive against the Germans in October, 1916. Later he directed the French offensive on the Aisne and was in command of the French and American forces which launched the great counter-attack against the Germans on July 18, 1918, between Soissons and Chateau Thierry.

HONOR MEMORY OF FRENCH GENERALS
Coblentz, Monday, July 7.—By the Assd. Press.—America joined hands with France today in honoring the memory of General Roch and General Marceau, the French military leaders who held the Rhine frontier against the Prussians and Austrians more than a century ago. Both are buried near Coblentz.

ASK REPORT ON PASSES.
Washington, July 8.—Without discussion the senate today adopted a resolution by Senator Newberry Republican, Michigan, calling on the railroad administration for a report of passes issued in 1919 for transportation and parlor, sleeping and dining car privileges.

Two Dead In Strike Riot At Argo Plant

CHICAGO, July 8.—Two men were killed, eleven others were wounded and a boy was reported shot as the result of a riot and fights between guards armed with rifles and automatic revolvers and strikers at the Corn Products Refining company's plant at Argo, Ill., tonight.

The victims were foreigners and strikers except two.

The shooting followed an attack by a crowd on an automobile occupied by Miss Elizabeth Horgan, a nurse, employed by the company. She was roughly handled and the machine damaged and Charles Jonnas, chief of the company's special police, was severely beaten when he went to her rescue.

The guards following Jonnas fired into the crowd as sticks and stones lifted the air.

Shortly afterward another woman was pursued by the crowd who believed her also a company employee. Deputy Sheriff W. W. Scott hastened to her assistance and he was beaten insensible and disarmed. Again the guards rushed out of the plant enclosure and rescued Scott amid shots.

The strike was called this morning in an effort to enforce a demand for recognition of the union and a closed shop.

FIGHT GATE RECEIPTS APPROXIMATE \$452,000
TOLEDO, O., July 8.—Gate receipts of the heavy-weight championship contest between Jack Dempsey and Jess Willard here July 4 were unofficially announced tonight as approximately \$452,000.

The attendance, Promoter Tom Lockard said was between 20,000 and 21,000.

These approximate figures were authorized by Rickard because of the delay in arriving at the official attendance and receipts.

Revenue agents are checking up the figures to determine the amount of war tax due the government. The announcement that the bout drew only about 20,000 persons, less than one fourth of the seating capacity of the arena was a big surprise. Rickard said all of the \$50 seats were sold and virtually all of the \$50 seats but that the disappointment came in the sale of the cheapest seats, which sold for \$10.

Provision had been made to seat 35,000 and 10,000 persons in the \$10 seats, but only about 5,000 seats were sold.

JOHN R. FOX, JR., WELL KNOWN NOVELIST DIES
KNOXVILLE, Tenn., July 8.—John Fox, Jr., well known novelist, died at his home at Big Stone Gap, Va., today after a brief illness of pneumonia.

Mr. Fox was one of America's most popular writers of fiction, his novels dealing with life among the mountain people of the south having a wide sale. His leading books were considered to be "The Little Shepherd of Kingdom Come," "Trail of the Lonesome Pine," "The Kentuckians," and "The Heart of the Hills."

John William Fox, Jr., was born in Bourbon county, Kentucky, 56 years ago. He received his preparatory education at Transylvania University and later was awarded a degree by Harvard University. He left Kentucky when a young man and had spent most of his life at Big Stone Gap, in the heart of the Blue Ridge mountains from which he obtained much of the material and characters for his writings. He was a member of the National Institute of Arts and Letters and other honorary organizations.

FRENCH CABINET TO PROBE LIVING COST
PARIS, July 8.—Havas.—The French government is considering the problem of the high cost of living and the cabinet will take up the question at a meeting today.

According to the Echo de Paris the government is considering the issuance of the decree opening the frontiers immediately for the importation of necessary raw materials. The Figaro says the government is discussing the prohibition of the exportation of certain food stuffs, such as butter, eggs and cheese. Other newspapers declare that the government intends to propose a law inflicting very severe penalties on food speculators.

STANDS SOLIDLY FOR PAMPHLET
Jackson, Minn., July 8.—Joseph Gilbert, former organ manager for the national non-partisan league upon cross examination in district court here today declared that he stood solidly for every statement contained in the war pamphlet issued by the league.

Announcing that when he spoke at Lakefield, Minn., Jan. 23, 1918 he "ridiculed" certain county officials, because he declared "their acts had held them open to ridicule."

MOB ATTACKS HANOVER CASTLE.
Barlin, July 8.—(Via London).—A mob attacked the castle and the detention prison at Hanover Monday and released all the prisoners in the building. The guards it is said, surrendered their arms without resistance. Some fighting occurred between the crowds and government soldiers.

Commission To Probe Recent Fiume Troubles

PARIS, July 8.—(By The Associated Press).—The council of five today appointed an inter-allied commission to investigate the recent troubles in Fiume and other Adriatic ports between Italian and other allied soldiers of the forces of occupation.

Major General Charles P. Summerall is the American member of the commission. The general, who is now with the American forces on the Rhine is on his way to Paris to join the other members who will start at once for the Adriatic. The mission will be asked to make careful investigations of statements made by Foreign Minister Tittoni and those coming from other Italian sources and to recommend measures for safeguarding the inhabitants of the region affected.

The latest reports received by the peace conference are to the effect that at least nine persons were killed and many wounded in disorders which are represented in some versions as having been caused by brawls between individuals and groups over women. The Italians have insisted that unless prompt action was taken the situation may become grave because, according to their interpretation of events, the feeling between the French troops and the Italians is becoming worse daily.

FORMER KAISER SEEMS UNPERTURBED
AMERONGEN, Sunday, July 6.—By The Assd. Press.—Former Emperor William and his wife are apparently unperturbed by the possibility that proceedings will be brought by the emperor for his extradition to the former monarch's suite have indicated in conversations with the correspondent that it was their opinion that any proceedings from allied quarters would be protracted for many months without any certainty that the Netherlands government would consent to hand the former kaiser over for trial.

They are almost convinced that they are on for a long sojourn and are making preparations accordingly.

BILL WOULD CREATE HOUSING DEPARTMENT
WASHINGTON, July 8.—Representative Tinkham of Massachusetts announced today he would introduce before congress a bill creating in the department of labor a bureau of housing and living conditions.

Mr. Tinkham pointed out that the government as a result of its war housing program in which it expended approximately \$110,000,000 to build homes for industrial workers has accumulated a vast fund for information and experience in industrial housing which should be made available to every community.

RETROACTIVE WAGES ISSUE IN STRIKE
SPRINGFIELD, Ill., July 8.—The only question involved now between electrical workers and officials of the telephone companies on the Pacific Coast is that of retroactive wages according to Secretary Charles P. Ford of the International Brotherhood of Electrical Workers. Secretary Ford said today that practically all negotiations had ended and that the possibilities of ending the strike were favorable.

There is little possibility that the electrical workers will accept the offer of the telephone companies. General Burleson made public last night, to arbitrate their differences with the companies on the Pacific Coast Mr. Ford said.

The situation in St. Louis where several thousand electrical workers are on strike is unchanged according to Mr. Ford who said that he expected the Bell Telephone company would adjust their differences with electrical workers within a few days.

POLK TO MAKE STATEMENT LATER
WASHINGTON, July 8.—Frank L. Polk, acting secretary of state who returned today from a week's vacation with his family at Southampton, L. I., declined to say whether he would go to Paris to take up Secretary Lansing's place at the peace conference. He said he would discuss the matter with President Wilson and would make a statement later.

Mr. Polk said Mr. Lansing would return to Washington soon but that the exact date of his departure from Paris has not been determined.

HOG PRICES STILL RISING
Chicago, July 8.—Breaking of high price records continued today in the hog market. Values climbed to \$22.60 a hundred weight, an upturn of 10 cents compared with the latest previous tip-off.

Nearly every day during the past week has witnessed a new apex. Prospective food demand from Europe is the reason most frequently given.

TO INCREASE FEES.
Paris, July 8.—The doctors of Paris have decided to increase their fees and beginning today they will charge double the rates before the war. Fees for services at night will be three times the pre-war rate.

PREDICT EARLY SUCCESS OF THE IRISH 'REPUBLIC'

Dunne and Walsh Return from Trip to Europe

NEW YORK, July 8.—Only "a gigantic military machine, equipped with machine guns and armored cars" and "imprisonment of their truster leaders" can prevent the "full operation of a public government in Ireland," Edward F. Dunne, former governor of Illinois and one of three American delegates sent abroad by the Irish societies of America, to intercede in behalf of Ireland at the peace conference, declared upon his arrival here today on the steamer La Savie.

With Mr. Dunne came Frank P. Walsh, another of the delegates who also issued a statement predicting early success of the "Irish Republic" cause.

The two delegates who were preceded to the United States by several weeks by Michael F. Ryan the third member of the mission were given an enthusiastic reception by a crowd of several hundred persons, when they debarked. The reception was attended by the waving of American and Irish Republic flags and cheering for the delegates and commission. The delegates drove immediately to the hotel where Pammone de Valera, "president of the Irish republic" is stopping and were received by him.

Mission Accomplished Much.
"We are satisfied that our mission accomplished most, if not all that we set out to achieve," Mr. Dunne said. "The case of Ireland before the world's peace conference was being deliberately ignored prior to our arrival in Paris, and was being treated by England with her usual unconcern and contempt."

"Upon our insistence, however, that it must be considered, the American commission made representations to the British minister urging that it should receive prompt consideration. The British prime minister thereupon expressed a desire to meet us in conference, and pending the fixing of a date for this conference gave us diplomatic passports to visit Ireland, expressing a desire that we should visit all portions of that country, including Belfast."

"We went to Ireland and thus were able to give to President Wilson, the American commission and to the world a true unvarnished story of England's atrocities and military misrule in Ireland. We compelled the castle authorities in Dublin and finally the whole English and Irish press to take up and discuss openly the scandal of military occupation and oppression."

"We compelled them to admit that the right of trial by jury, the right of habeas corpus and all the other safe guards usually thrown around a people in civilized countries had been overthrown in Ireland and that British domination was sustained only by the presence of an enormous army of occupation equipped with all the modern weapons of actual modern warfare."

Confident of Future.
"We have plainly shown to the American commissioners that Ireland is not in the position of seeking favors from England, but is in the position of demanding from the world's conference recognition as a de facto and de jure government and as having the right to become a member of the league of nations. We are confident of the outcome. Eighty per cent of the people of Ireland demand a republic and are endeavoring to function as a republic and its people will not be content with anything but a republic."

"The English government now stands as the bar in the court of public opinion and must before many months withdraw its army of occupation and allow the Irish nation to govern the Irish people or be convicted of tyrannical misgovernment such as does not exist elsewhere in Europe or America."

TAX COMMISSION CONFERS WITH LOWDEN
CHICAGO, July 8.—The recently created Illinois tax commission, F. F. Noleman, Central, Chicago, and Charles C. Crane, Galesburg, conferred here this morning with Gov. Frank O. Lowden on their duties. The commission will meet in Springfield to complete an organization and to outline the final plans of their work.

Gov. Lowden will leave this evening for Atlantic City where he will address the Elks convention.

TRANSPORT LOSTS PROPELLER.
Honolulu, T. H., July 8.—The U. S. army transport Dix en route Manila to San Francisco reported today by wireless she lost a propeller 250 miles from Honolulu. The submarine tender Beaver went to her assistance. The transport is not carrying passengers and is not believed to be in serious danger.

Reject French Offer For Army Equipment

WASHINGTON, July 8.—The French government having offered only \$300,000,000 for American army equipment in France costing \$1,500,000,000, the war department has ordered a sales organization for disposal of the property be formed in France. Director of Sales Hare today told special house committee investigating war department expenditures abroad.

Director Hare said the French offer was made to Chairman Parker of the United States Liquidation commission. The offer, he said, included all materials, including ship docks, railroad works and equipment, automobile trucks and textiles.

Mr. Hare, with a small party of industrial experts, will sail for Europe on Saturday to begin their work abroad. Sales offices and organizations will be organized at various places throughout Europe, the director said, and much of the material may be returned to the United States.

"If France will not pay a fair figure," the director added, "we will take the stuff out of the country and sell it elsewhere."

Sales of machinery and tools, worth twenty to thirty million dollars, to Belgium are planned, Mr. Hare said, while horses and mules may be sold to Rumania and Poland. Members of the subcommittee in their discussion with Mr. Hare, made it plain that they favored returning all possible supplies to this country to "break the high prices" as Chairman Johnson of South Dakota said.

In reply Mr. Hare assured them that "if the better market is here not in price alone the goods will be returned home as the patriotic thing."

Mr. Hare outlined his sales policy as not to preserve high prices for benefit of manufacturers but to prevent unnecessary industrial disturbance and sacrifice in prices that would result from dumping surplus goods on the market.

HANG UP SEVERAL NEW RACING RECORDS

CLEVELAND, O., July 8.—Another record crowd was on hand for the second day of Grand Circuit harness racing at North Randall today and record time was hung up in several events.

A world's record was established in the half mile dash for two year old trotters, when Mr. Duddy won it in 1:02 1/4. He was driven by Lynam Brusie and raced the first quarter in :31 1/2 seconds.

Abbie Putney hung up the best time of the year in the Fasig 3-year old trot, when she covered the second heat in 2:06 1/4.

Three favorites were successful with one second choice and Mr. Endley, fourth choice in the betting accounting for the other event.

TO CONSIDER WAGE RAISE FOR CAR MEN

CHICAGO, July 8.—Wage increases for street car and elevated railroad employees are to be considered at a meeting of officials of the union at 155 Madison street today. Fifteen hundred members of the surface men's union held a storm meeting last night at which a resolution was adopted calling for an eight hour day, a six day week and an increase from 18 cents to 80 cents an hour.

APPROVE BOND FOR HAYWOOD'S RELEASE

CHICAGO, July 8.—Bonds for the release of William D. Haywood, leader of the ninety-three I. W. W.'s, convicted before Federal Judge Landis here last August of conspiring against the government have been approved by U. S. District Attorney Charles F. Cline and the court of appeals.

Haywood was sentenced to 20 years in the federal penitentiary by Judge Landis. He is the fifteenth out of the 93 to be released on bonds pending the appeal of their case to the U. S. circuit court of appeals.

WOULD RESTORE CAPITAL PUNISHMENT

JEFFERSON CITY, Mo., July 8.—The senate today passed the bill restoring capital punishment in Missouri, concurring in the house measure as amended early today. The bill now goes to Governor Gardner for his signature.

The measure provides that executions shall be by hanging. The session adjourned at noon. The legislature convened July 2 and during the session ratified the federal woman suffrage amendment.

REPORTS SINKING OF FISHING SCHOONER

NEW YORK, July 8.—The American Steamship Magunkook which arrived today from Rotterdam, reported the sinking in a collision of the gasoline fishing schooner Edmund P. Black of Portland, off the Georgian fishing banks in a fog last Sunday night. The schooner's crew of eight men were rescued and brought here.

SENATE READY TO RECEIVE PEACE TREATY

Vote to Open Door to Public When Wilson Speaks

WASHINGTON, July 8.—The senate made ready to receive the peace treaty from President Wilson and to take up without delay and in the open the bitterly contested question of its ratification. In disregard of precedent, it was voted unanimously to open the doors to the public when the president makes his address Thursday submitting the treaty and asking for its acceptance. To the same purpose plans were made by the leaders to rush the document to the printer and to elect many thousands of copies for the information of the country.

Lodge Submits Order

The decision to hear the president in open session was reached without suggestion from him altho it was understood to square with his desires. A senate order to provide for the session was submitted by Chairman Lodge, of the foreign relations committee after he had confirmed at the white house published reports that Mr. Wilson wished to appear Thursday. It was adopted without discussion and without a dissenting vote. The order also provided that five senators be named to receive the president on his arrival at the capitol and would conduct him to the senate chamber. The chair selected five ranking members of the foreign relations committee, Senators Lodge, Massachusetts, Macomber, North Dakota and Borah, Idaho, Republicans, and Hitchcock, Nebraska and Williams, Mississippi, Democrats.

Borah on Committee

Of these, Senator Lodge and Borah are bitterly opposed to the league of nations covenant while the other three are supporting it.

Two Bitterly Opposed

Senator Borah also has repeatedly criticized President Wilson's practice of delivering his messages to congress in person and always has absented himself upon those occasions. He declined to say at first whether he would accept a place on the reception committee but later announced he would serve. Open session during the entire ratification debate are expected by the leaders on both sides and the foreign relations committee may also open its doors during some of its hearings. At those hearings it was said today President Wilson probably would not be asked to appear, altho Secretary Lansing and other members of the peace delegation are expected to be invited to tell in executive session the confidential story of the decisions reached at Versailles.

Consideration of the treaty by the committee to which it will go as soon as it reaches the senate probably will not begin until next Monday.

Plan to Adjourn Thursday

Chairman Lodge said today that owing to the difficulties of printing the document with its maps and other accompanying data, he considered it unlikely that any committee work could be done during the present week. The plan is for a senate adjournment from Thursday until Monday.

The purpose of the leaders to give the treaty widest publicity was apparent in all the plans made during the day. It was said that an effort would be made to place a copy in the hands of every American citizen who desired it. Some members of the foreign relations committee sessions to hear the reports of the Versailles delegates.

DEMSEY RECEIVES ATTRACTIVE OFFER

New York, July 8.—Jack Dempsey, world's heavyweight boxing champion, has received an attractive offer to meet Georges Carpentier of France, European title holder, but will only box him on American soil, according to a message received here tonight from Jack Kearns, Dempsey's manager.

STRIKE AFFECTS FLEET

Stockholm Monday, July 7.—The strike declared by the Swedish Seaman's Union and which began on Saturday is affecting the entire Swedish commercial fleet. An arbitration commission has gone to Gothenberg to intervene.

WEATHER INDICATIONS AND TEMPERATURES

Illinois:—Generally fair and continued warm Wednesday and Thursday.

THE WAR TRUST

"The league of nations," declares former Senator Beveridge, "is not a peace combination but

a gigantic war trust—and a war trust which requires America to spend most of the blood and the money for the benefit of the other members of the trust." Every reader of the league covenant is impressed by the force of Mr. Beveridge's description. Under its terms a group of nine men, called a council, undertake the direction and management of all future wars. Every nation on the face of the globe is forbidden from asserting its independence and maintaining its honor by force of arms. The penalty for disobedience is to have the armies and navies of the rest of the world mobilized under the orders of the council and hurled in an overwhelming deluge upon the people who, in the defense of their own rights, have offended the superstate.

Every article of the league covenant teems with provisions clothing the council with un-

heard of powers for the enforcement of its mandates. Those nine autocrats are to have complete jurisdiction over nation's armaments. They are to formulate plans for a reduction of armaments, and after those plans have been adopted they are not to be exceeded without the consent of the council that framed them. The council is to be the supreme war staff of the world, and as such can make such combinations of armies and navies as it may see fit, order them to any part of the world where it deems their services are needed, and compel them to fight against any nation and any people, entirely regardless of whether the nations represented in that polyglot military force have any quarrel with the object of their attack or not.

THE MAIN THOT IN EAST. S. LOUIS.

East St. Louis authorities always have an eye to finance even if some other interests are forgotten. At a recent meeting of city council fixed the license fee for saloons where beer of more than one per cent alcoholic content is sold at \$400 a year. This action was taken, notwithstanding the opinion of Attorney General Brundage that the law of Illinois at present makes illegal the sale of liquor.

THE CONSTITUTIONAL CONVENTION.

It is not too early for Morgan county people to begin thinking about the election of delegates to the state constitutional convention. There will be two delegates from each senatorial district and certainly Morgan county is entitled to one of these delegates. Unfortunately in this senatorial district the Sangamon vote far outweighs that of Morgan county, but in the present instance it is believed that the Sangamon people will in justice concede that the two counties are entitled to equal representation. The filing of petitions can begin July 11, and the primary will be held September. Morgan county can best guard its interests by uniting its strength on some one local candidate, instead of having a group of candidates with a catering vote. Such divided voting strength would mean the selection of two Sangamon county delegates.

HOUSING NOW BIG PROBLEM.

The establishment of a housing bureau in the department of labor is proposed as a result of a survey recently completed. The housing question is one which now interests people much more generally than used to be the case. For a study of housing conditions has shown how closely the question is related not only to public health but public morals. In another way housing is now a matter of nation wide interest, for in any city event with a population of a few thousands, desirable houses are at a premium. They used to say that the amount of building done in

the larger cities was quite in excess of the demand. But the cessation of building operations for just one year now shows a real shortage of well equipped homes.

The resignation of Postmaster General Burleson was widely heralded in the newspaper despatches Tuesday afternoon. Later the report was denied by Mr. Burleson. It is safe to say that the original announcement was received by a vast number of people with satisfaction. Never mind how they felt about the denial.

It is said that wheat is not threshing out as heavy a crop as the farmers expected. The fact is the return is up to the average altho possibly not so heavy as last year. But any farmer who happens to feel regret over his wheat shortage can think about the corn prospects, for the prices already offered for this year's crop are considerably higher than those which prevailed in December last year.

THE PEOPLE WANT FILTERED WATER.

Favorable weather conditions have made it possible for the contractor to push work on the spillway and reservoir. This probably means the completion of the contract by the early fall months. The only disappointment over the whole project is the inability of the committee on water supply to provide for a filtration plant. The people by a very large majority voted in favor of bonds to provide for the construction of the reservoir. The estimate at that time included a filtration plant. Meanwhile construction costs increased sharply and there was no blame for any one because the estimate was found too low when the bids were received. Anyhow, more bonds could not have been issued because the city was up to its legal limitation at that time.

But the point is that some other means for providing a filtration plant should speedily be found. The reservoir will provide the water and make the city safe against the dangers of drought, both as a matter of fire protection and sanitation. But a supply of pure water is greatly to be desired. People are looking to the city council and the water supply committee to come forward with some suggestive plan whereby the filtration plant can be installed as the work on the reservoir proper progresses.

Just as private citizens came forward loyally in providing funds for the purchase of land it is believed that they will respond with equal readiness for the comparatively small sum of \$20,000 to \$25,000 which will make the filtration plant possible.

Rippling Rhymes
By Walt Mason

Luck.

I often hear of lucky guys, for whom the fates have no rebuke; while some laboriously rise, they gain the summit by a fluke. They enter gayly up the road, unscarred, unbruised, while luckless men, are chafed and wearied by their load and lost, or foundered in the fen. But when I meet the lucky cuss, and analyze and parse his curves I find he's like the rest of us—he only gets what he deserves. He is a gent who sanely plans to gain an honor or a buck, and so he climbs, while also runs are grumbling sorely of his luck. He is a hustling delegate who is resolved to work and win; he moves while others wait for some fake job to saunter in. His wholesome order never flags, he yields to no fell circumstances; while human failures shake their rags and say they never had a chance. The kind of luck this fellow sees will stick with him thru life, I guess; for it is based on qualities that evermore command success. The faker with the gilded brick may think he's lucky for a day but all his profits vanish quick, and all his honors fade away. Luck's not confined to neighborhoods, to humble shack or fretted hall; if you're the guy who has the goods, you'll find luck at your beck and call.

George Corrigan of New Berlin was among the city arrivals yesterday.

Funerals

Luken.

The funeral of the late William H. Luken was held from the Salem Lutheran church Tuesday morning at 10:30 o'clock, preceded by a short service at the home, 845 South East street, in charge of the pastor, Rev. J. G. Kuppler. A quartet composed of Mr. and Mrs. Robert L. Stice, Edward and Emma Wiegand, with Miss Fannie Mutschman at the organ, sang, "I'm Nearer My Home Today."

Mrs. Stice also sang a solo, "The Beautiful Land on High." The congregation at the close sang "Asleep in Jesus." The flowers, which were very beautiful and offered in great abundance, were in charge of Misses Anna Luken, Rose Luken, Laura Brune, Pennie Grassly and Lily Richardson. Burial was made in Jacksonville cemetery, the bearers being William Balz, Phil Schulz Sr., Fred Hagen, Chris Henze, Louis Porlx and Edward Weigand. The attendance at the funeral services was the largest held at Salem Lutheran church for years. Many relatives and friends from New Berlin, Alexander and Orleans neighborhoods, Mr. Luken's former home, being present. From out of town was present Rev. Herman Hallerberg and family from Farmington, Mo. The Rev. Hallerberg was pastor of Salem Lutheran church from 1904-1909.

William H. Luken was born in Sarburg, Hanover, Germany, May 6, 1851. He came to America with his parents at the age of 4 years. The family settled on a farm in the Holland neighborhood south of Alexander on the line between Sangamon and Morgan counties. Here William Luken attended the district school and grew to manhood. In his youth he was a member of the first confirmation class confirmed in Salem Evangelical Lutheran church of the city 52 years ago. He later also attended Whipple Academy for some time.

In the year 1878 he was united in marriage to Miss Sophie Grassly of this city. Together they moved on a farm near Orleans which for a period of 34 years continued to be their home. Seven years ago they retired from active farm life and came to this city to live. In what high respect Mr. Luken was held by his former neighbors was evidenced by large number who came to attend his funeral.

Mr. Luken was a life long member of the Salem Lutheran church and at his death was one of its elders and trustees.

The deceased was of a robust constitution and in former years always enjoyed the best of health. About two years ago signs of a malignant disease made themselves noticeable. This ailment developed into cancer of the liver which for many months caused him much misery and pain. He bore his affliction with Christian fortitude and patience. Saturday, July 5, he fell asleep in the faith in his Savior, attaining the age of 68 years, 1 month and 29 days. He survived by his wife and two daughters, Mrs. Herman Hallerberg of Farmington, Mo., and Mrs. Fred Moeller of Orleans; also by three grandsons. One son, Frederick, preceded the father in death twenty years ago.

May the earthly remains of our brother rest in peace in the quiet of the grave till the glad day of resurrection.

BIRTHS

Word has been received of the recent arrival of a ten pound daughter in the family of Mr. and Mrs. Leonard R. Finley of Adrian, Missouri. Mrs. Finley was formerly Miss Lena Johnson of this city. Mother and child doing well.

SUFFERS SEVERE INJURY

Christopher Hicks of Scottville neighborhood is a patient at Our Savior's hospital. He was working with a mowing machine and as he was standing near the sickle the machine moved forward and his right leg was badly lacerated near the ankle. Before the team could be stopped the injured man was brought to Jacksonville by a physician from Scottville and was cared for by Dr. J. W. Hairgrove at the hospital.

WOODSON DINNER PLACE CHANGED.

It was announced that the Ladies Aid society of the Christian church at Woodson would give a dinner Thursday at the home of Mrs. Gruener but the place has been changed to the church lawn where the dinner will be served as announced.

Social Events

Gave Birthday Party.

Mr. and Mrs. Wm. Schneider of 734 North East street gave a party in honor of their daughter, Helen Marie. The occasion was the little miss's tenth birthday. The afternoon was very pleasantly spent in music and games, the prize being won by Patricia Spieth. The guests were favored with a vocal duet by Patricia Spieth and Bernita Hutches. Delicious refreshments were served and Mrs. Schneider was kindly assisted by Mrs. John Vieira. The guests departed wishing their little hostess many happy returns of the day. Those present were Gladys Scott, Patricia Spieth, Lela Ferreira, Ethel Johnson, Mildred Sperry, Bernita Hutches, Mildred Miller, Ruth Rawlings, Dorothy Quintal, Helen Schneider, Vivian Vieira, Mrs. Upp, Mrs. William Schneider and Mrs. Julia Vieira.

Mr. and Mrs. G. L. Tindall Gave Platform Dance.

Mr. and Mrs. G. L. Tindall entertained a large company at a platform dance at their home east of the city Monday evening in honor of their nieces, Miss Margaret Baug and Miss Rea Tindall of Cameron, Mo., and the Misses Rays of Paris, Mo. The lawn was very prettily decorated with flags and a platform had been constructed for the dance. In all there were about three hundred present and during the evening refreshments were served. Clarence Seigfried's orchestra furnished the music.

A United Missionary Gathering.

With a desire to promote greater sociability and cooperation as well as sisterly feeling all around, Rev. J. O. Kirkpatrick asked the members of Women's Foreign Missionary Society in the Point church to meet the ladies of the same kind of an organization in the Ebenezer church at the parsonage yesterday afternoon and enjoy a special program. About 75 were present and a rare good time as well as beneficial and uplifting was enjoyed. Mrs. DeLoss James favored the gathering with some fine piano solos after which Miss Myra Kirkpatrick sang most acceptably. Mrs. Edgar Martin accompanying.

Rev. E. L. Pletcher then gave some description of the wonderful centenary exposition at Columbus, Ohio, and Mrs. Pletcher described the wonderful pageant. Mrs. F. B. Madden spoke on the district work and Miss Myra Beggs, district secretary, read a fine paper.

This ended the formal part of the program and then came refreshments and sociability. The time was most happily spent. Among those present was the venerable Edmund Blackburn who had brought a lame member of his family and with his benign countenance was a benediction to the whole meeting.

DEATHS

Hall.

Anna L. Hall died at the residence of her sister, Mrs. W. E. Norman, eight miles north of the city at 5 o'clock Tuesday morning. Deceased was the daughter of John S. and Elizabeth Henderson Hall and was born in this county September 7, 1874. She is survived by the following brothers and sisters, J. C. Hanes Greenfield; P. P. Hanes, Alma, Neb.; Mrs. M. J. Paul, Litterberry, Mrs. Abe Litter, Virginia, and Mrs. W. E. Norman, residing north of the city.

She was a faithful member of the Litterberry Christian church and was highly regarded in a large circle of friends.

Funeral services will be held from the Christian church in Litterberry Thursday afternoon at 3 o'clock old time, in charge of the Rev. C. G. Cantrall of Chapin. Burial will be in Arcadia cemetery.

CAPT. NORRIS VISITOR HERE.
Capt. F. A. Norris has been spending two or three days with friends in Jacksonville. Capt. Norris is still located at Ft. Sheridan and is one of a group of surgeons operating at the military hospital there every day. There are thousands of soldiers at Ft. Sheridan and a large hospital staff is necessary.

NOTICE

Party who ran into car near Pacific hotel Tuesday at noon is known, as the number was noted. To avoid trouble the guilty party had better see about settling damages. Call at A. R. Myrick's shop, 215 South Main street.

Our Habits
Make or
Break Us

It isn't altogether the few dollars you save today that make you financially independent—it's the habit you form while saving them.

The war taught our people to the necessity of saving, and how easily it can be accomplished, and thousands are today profiting by the habit thus formed. You noticed in our last advertisement, a table of savings showing how rapidly regular deposits mount up. Have you thought this matter over?

Why not start that savings account now? We shall be glad to aid you in every way in our power. Take the step today that will mean the formation of a habit you will not regret, as well as the foundation of future financial independence.

Elliott State Bank

Three per cent paid on savings accounts.

Purina Pig Chow
covers the 3 big factors for profitable pig raising and hog feeding.

1. Purina Pig Chow provides elements for bone and body building, insuring large frame and rapid growth.
2. Purina Pig Chow properly regulates the hog's system.
3. Purina Pig Chow puts on extra weight while the pig is developing. 70% of lean meat is water. It's cheaper per pound to put lean meat on a growing pig than fat on a hog.

Feed Purina Pig Chow to get full grown solid young hogs, and market-toppers, which will bring highest prices.

A Buick Motor

The Buick Valve-in-Head motor is, first of all, a clean-cut motor. It acts cleanly, it concentrates, it becomes more efficient — because the cylinders of this motor are true cylinders — they have no side-pockets, no by-ways through which to lose power.

The full force of the explosion acts on the piston-head, where it conserves power. After each piston stroke the cylinders clear themselves of dead gas, so that they are filled with all fresh gas for each succeeding explosion.

Place your order now for one of these dependable cars. Call us for demonstration.

Mrs. Earl Lukeman of the east part of the county was a caller in the city yesterday.

Roy McKinney of the southwest part of the county visited the city yesterday.

Croat Davis of Pisgah was one of the business arrivals in the city yesterday.

A GOOD INVESTMENT.

(From Franklin Times.)

We believe that any fair-minded person who watched the operation of the Morgan county oiler on our streets will agree with us in the opinion that the county commissioners made a good investment when they bought it. One that will have a far-reaching influence on the highways of Morgan county and do much to encourage the betterment of travel conditions. Hard roads are still so far ahead of most of us that we can barely see the glimmer of their surface in the distance, but the oiler road is within our immediate reach and there are many hard-thinking men who believe that it is the only practical way of "pulling Illinois out of the mud" for the benefit of the present generation, if not for all time to come.

The oiler works like a charm. It spreads the oil rapidly, evenly and thoroughly, shooting it down into the dirt where it gets a firm hold. Any community in Morgan county can use it without any expense other than paying for the wages of the crew. Already the county commissioners have had remunerative offers from outside communities anxious to rent it, but they have wisely decided that since it was bought for Morgan county citizens it will be kept at home where it will always be available to the taxpayers who paid for it. We doubt if the commissioners could have spent as much money in any other way and secured as much. Heretofore applying the oil has been a vexation. Hereafter it will be a pleasure.

Road oiling in the county has been given a decided impetus by the purchase of the oiler and much more of it will no doubt be done in the future.

Of course here and there will be found a human crab who find fault with it, just as there are occasional "throwbacks" of the Mesozoic age when the surface of the earth was covered with mud who got out their hammers and sing the anvil chorus when the subject of oiling is mentioned. But we are confident that the great majority of the citizens of Morgan county are well satisfied with the investment our commissioners have made and their good judgment in taking this step should be commended.

Men can secure desirable styles of summer hats of FRANK BYRNS Hat Store.

TO SPEND SUMMER IN MICHIGAN.

Mrs. J. G. Ames and daughters, Moses Isabelle and Elinore May left Monday for Old Mission, Mich., where they will spend the summer. Miss Betty Palmer will also spend the summer at the Ames cottage at Old Mission. Mrs. J. A. Palmer accompanied the party a part of the distance, returning to this city yesterday. Mr. Ames left this city Sunday night for Old Mission.

MILLER FUNERAL AT ALEXANDER

Funeral Services for Late Ralph Miller Held at M. E. Church in Charge of Rev. J. A. Betcher—Alexander News Notes.

Alexander, July 8.—Funeral services for the late Ralph Miller were held at the Alexander M. E. church Monday afternoon at 3 o'clock, in charge of Rev. J. A. Betcher, pastor of the church. The services were attended by a large company of relatives and friends of the deceased. The minister delivered an impressive sermon and his words contained much of comfort for the bereaved ones. The floral offerings were many and were cared for by Mrs. Frank Colwell, Mrs. C. H. Beerup, Mrs. Ernest Strawn.

Interment was made in the cemetery at Franklin the bearers being J. M. Weigand, George Colwell, John Colwell, C. H. Beerup, Norman Aulabaugh, K. V. Beerup.

Among those from out of town who attended the services were Mrs. Leona Ellis, Springfield, Mr. and Mrs. Abbie Wood, Springfield; Mr. and Mrs. Presley Wood, Muddy Springs; Mr. and Mrs. Gus Seymour, Mr. and Mrs. W. T. Pearson, Jacksonville; Mr. and Mrs. Edward Collins, Prentice, Mr. and Mrs. Harold Sherburn, Lowder.

The deceased, who was the only son of George and Anna Miller, was thirty-two years of age at the time of his death. His death occurred Saturday, July 5, after a brief illness. He is survived by his wife and two children, Kenneth and Georgia; his mother, Mrs. George Miller, and one sister Mrs. Lena Austif.

Mrs. Margaret Duffner of Jacksonville spent Monday visiting friends in Alexander.

Mrs. Lewis Hicks of Alexander was called to Jacksonville Monday evening to see her son, Chris Hicks, of Scottville, who is a patient at Our Savior's hospital. The son recently had his hand badly injured with a mowing machine and was taken to the hospital in Jacksonville for treatment.

Mrs. Mary Proffitt, Mr. and Mrs. William Sell, Mr. and Mrs. Proffitt and two daughters, Mr. and Mrs. James Randall, all of Pana, Mr. and Mrs. Harry Proffitt of St. Louis and Ruby Proffitt of Springfield spent the week end at the J. J. Proffitt home in Alexander.

Mr. and Mrs. Earl Landis of Lynnville returned to their home after a few days' visit at the home of Mrs. Landis' mother, Mrs. Charles Hagen at Alexander.

A GOOD SUGGESTION.

A wide awake citizen of the city made a good suggestion recently regarding a spot in Jacksonville. The small plot of ground immediately south of the Wabash passenger station might be made a beauty spot with proper treatment. Remove three fourths or four fifths of the trees and cultivate grass there and it might be made very attractive. It is unfortunate that the trees there are soft maples as they are undesirable in many ways but they are there and too large to remove or ignore but it would also be well to plant some elms and hard maples also. If the plot were grassed only possibly the park board might find time to keep the grass cut and the trees trimmed.

The demand for men's silk Madras or Oxford Negligé shirts can be supplied by FRANK BYRNS' Hat Store.

BICYCLE AND AUTO COLLIDE.

What might have been a serious accident happened recently on Church street, when Henry Sparger, ten years of age, narrowly escaped being run over by an automobile. The boy was riding on the sidewalk as the street is full of paving materials. Robert Headen was driving east on North street and just at the intersection of Church street he came into collision with the boy on the bicycle. Mr. Headen had failed to see the approaching boy, as the house at the corner stands so near the street and obstructs the view. The boy was knocked from the wheel and fell to the pavement but was upon his feet before Mr. Headen could reach him. The boy escaped without any injury except a badly bruised finger. The bicycle was more or less damaged by the collision.

BIDS FOR COAL.

Sealed bids will be received by the city council until 1 o'clock noon, Monday, July 1, 1919, for coal needed at the south pumping station and the municipal light plants. Bids are asked on 3 inch, 1 1/2 inch lump and mine run coal delivered at the pumping station and 1 1/4 in screenings 3 inch lump, mine run, slack and washed coal delivered at the light plant. The right is reserved to reject any or all bids. All coal is to be weighed on the city scales.

R. L. Pyatt, City Clerk.

LEAVES ON AUTO TRIP TO EAST

H. S. Greenstone, of the Emporium left Wednesday night in his "Winton Six" for a five weeks' vacation and business trip in the east. He will go first to Chicago where his little son and sister, Mrs. J. L. Olan, will join him; thence to Atlantic City for two weeks, a week in the markets of New York buying goods, and the remaining time visiting points of interest in the east.

PLATFORM DANCE AT ALEXANDER

A platform dance was given at Alexander Tuesday night, the affair being under the direction of Martin Hohman, Edward Ludwik, Frank Wiegand and Kenneth Beerup. Randall's orchestra of this city furnished a splendid program of dance music.

CERTIFICATING LAW RECENTLY AMENDED

Changes Made by Legislature Explained in Letter to Supt. H. H. Vasconcellos.

Supt. H. H. Vasconcellos has received from the Illinois State Examining Board a letter outlining the various changes made by the legislature in the state certifying law. The letter follows:

No third Grade Certificates.

June 30, 1919.

To County Superintendents:

The fifty-first general assembly have made some changes in the certifying law which should be given publicity at this time.

The third grade elementary certificate has been eliminated. All third grade certificates earned in the March 1919 examination and which would have been issued on July 1, 1919 should not be issued prior to that time. You may very properly date them on April 18th, the date upon which you received the report of the examination. It would be unlawful to issue a third grade certificate on or after July 1, 1919. All third grade certificates, however, which were issued since July 1, 1918 are subject to renewal on July 1, 1919 or within sixty days thereafter, such renewal to cover the school year beginning July 1, 1919. On June 30, 1920 all third grade certificates in Illinois will expire and will no longer be subject to renewal or extension.

The law as now amended requires "graduation from a recognized high school or an equivalent preparation," for admission to the examination for a second grade certificate. The term "recognized high school" in this particular connection will be construed to mean a recognized two year high school as a minimum. "An equivalent preparation" will be construed to mean eight units of secondary education earned in any recognized high school, academy or other recognized institution.

You are advised, however, that persons who have been admitted to the amendment and who have some grades valid in the July 1919 examination for second grade certificate, may be admitted to the July 1919 examination without regard to the prerequisite of two years high school study. We will predicate this interpretation of the law upon the fact that such persons had been admitted to the examination and had completed a part of the work prior to the enactment of the requirement of two years high school study.

A TEXAS WONDER

For kidney and bladder troubles, gravel, weak and lame back, rheumatism and irregularities of the kidneys and bladder in both men and women. If not sold by your druggist, will be sent by mail on receipt of \$1.25. One small bottle is no month's treatment and often cures. Send for sworn testimonials. Dr. E. W. Hall, 226 Olive St., St. Louis, Mo. Sold by druggists—Adv.

Earned Grades.

This will mean that all persons who entered the examination in July 1918 or in March 1919 and who have earned some grades of seventy-five or higher, may be admitted to the July 1919 examination without the requirements of two years high school study.

A provisional certificate may be issued in either of two ways: (1) Without examination to persons who have completed two years of work in a recognized normal school or one year of such work if a graduate of the tenth grade upon entering the normal school; (2) To persons who have entered the examination for second grade certificate but who have not made the required grades or average for a second grade certificate.

The law as amended now requires that all teachers shall register their certificates in the office of the county superintendent of schools before the holder begins to teach.

The law as amended gives the high school certificate equal validity with the first grade elementary certificate as to supervising. That is to say, that either a first grade elementary certificate or a high school certificate is valid for a position as principal or superintendent, including elementary grades, provided the position does not require more than one-half time for supervision. A number of other amendments were made which will be presented in a later communication. The foregoing are of immediate importance to the teaching force of your county and to persons who may be planning to enter the July examination for second grade elementary certificate.

Teachers to Be Scarce.

There will be a scarcity of teachers for next year. Graduates of recognized high schools should be encouraged to enter the examination for a second grade certificate. Compensation for teaching in the public schools of Illinois has greatly improved and will continue to improve. Additional school revenue has been provided by the fifty-first general assembly and there is unquestionably a growing appreciation of the services of well trained teachers. The young people of your county may well consider the matter of entering the teaching profession. By the time they have completed their training for teaching, the compensation will doubtless be commensurate with that of other professions requiring similar preparation.

Yours sincerely,
A. L. Whittenberg,
Secretary.

H. O. PHELPS WEDS MISS EDNA HOBBS

Were Married at Home of Bride's Mother Tuesday Evening at 7 O'clock—Ceremony Was Said by Rev. M. L. Pontius.

A pretty home wedding was solemnized at the home of Mrs. Leila Hobbs, 1044 South East street Tuesday evening at 7 o'clock which united the lives of Harley Otto Phelps and Miss Edna Hobbs.

At the appointed hour the couple entered the parlor and took their places beneath a large American flag. They were preceded by Margaret Louise Phelps of Murrayville and Mary Alice Phelps of Elgin who acted as flower girls, each carrying a basket of sweet peas. They were attended by Alden Phelps a brother of the groom and Miss Catherine Gustafson. The ceremony was said by the Rev. Myron L. Pontius pastor of Central Christian church and was witnessed by only relatives and a few intimate friends.

The bride wore a handsome gown of white silk chiffon and carried a bouquet of bride's roses. Miss Gustafson's gown was crepe de chine and she carried a bouquet of sweet peas. The Hobbs home was tastefully decorated in pink and white, ferns and sweet peas. Following the ceremony the company extended hearty congratulations and light refreshments were served.

The bride is the daughter of Mrs. Leila Hobbs. She is a member of Central Christian church and has taken an active part in church work. She graduated from the Jacksonville high school in the class of 1919 and later attended Brown's Business college. Recently she has been employed at Jacksonville State hospital. She is a young woman of much personal charm which has endeared her to a large circle of friends.

The groom is the son of Mrs. Ella Phelps and is an electrician by profession. He served for eighteen months in the Marines during the recent war most of the time in Cuban waters. Since his return he has been in the employ of John Doyle. He is a young man of integrity and commands the respect of all who know him. Mr. and Mrs. Phelps left on the Wabash Tuesday evening for a brief wedding trip to Springfield and St. Louis. They were accompanied to the train by a crowd of friends and liberally showered with rice and old shoes. Upon their return they will reside at the home of the bride's mother 1044 South East street.

Among those from out of the city who attended the wedding were: Mr. and Mrs. Alden Phelps and daughter of Murrayville, Clarence Phelps and three children of Elgin and Mr. and Mrs. William Hadden of Joy Prairie.

Otto Spiehl took a group picture of the company after the ceremony.

WANTED—At once boy over 16 years of age to supplement papers and carry a route for few weeks. Apply at Journal office.

A FORMER COMRADE HERE.
It was the desire of the family of Capt. John E. Wright to have members of his civil war company act as honorary bearers but only four now reside in this vicinity but Mr. Taylor got into communication with J. E. Lacey of the vicinity of Virginia and a member of the company and secured the attendance of that gentleman so there were five.

George Clawson of Louisiana is visiting friends in Cass county and accompanied them to the city yesterday. He lives some forty miles from the bull and insists they do not have as hot weather at his home as we have here. He is having a good time here and his wife and children are along but he thinks he will go back to cooler climate soon.

Roy Cox of Virginia paid the city a visit yesterday.

Fred Kohr of Pisgah was a traveler to the city yesterday.

CHILD WELFARE TRUCK PROGRAM OUTLINED

Stops to Be Made in Eight Precincts of Morgan County—All Children Under Seven Years of Age to Be Examined.

Mention has been made from time to time of the coming of the Child Bureau Special to this county in the near future. Conferences will be held in the various precincts of the county, and parents of children under seven years of age are urged to bring them for examination. It is not the purpose to prescribe any special treatment for the children found to be under normal, but the mother in each case will be told just what is the condition of her child and what should be done to correct the defects. A record card will be provided for each child, showing the various details as to the child's condition.

Chairmen have been named for each precinct where stops will be made, and persons desiring more detailed information as to the purpose of the Special may communicate with the chairman of the precinct most conveniently located. These chairmen are as follows:

Alexander—Mrs. Ernest Strawn.
Chapin—Mrs. W. W. Anderson.
Franklin—Mrs. W. J. Wyatt.
Mercedosa—Mrs. N. G. Looman.
Murrayville—Mrs. Arthur Seymour.
Sinclair—Mrs. Harry Martin.
Woodson—Mrs. Luella Henry.
Waverly—Mrs. W. A. Barrows.

The plan for Morgan county includes stops at the eight precincts on the dates indicated here: July 11, Woodson; July 14 and 15, Murrayville; July 16 and 17, Waverly; July 18, Franklin; July 20, Alexander; July 22 and 23, Sinclair; July 24 and 25, Chapin; July 28 and 29, Mercedosa.

ROBERT REID SPENT YEAR IN AIR SERVICE

Local Man is Home Again After Interesting Experiences in Air Service in France—Held Rank of Chauffeur.

As was stated in yesterday's Journal, Robert H. Reid, son of Dr. and Mrs. David Reid, arrived in Springfield Monday and later came to this city. Dr. David Reid, Mrs. Robert Reid and son and Mr. and Mrs. Carl H. Weber drove to the capital city to meet Mr. Reid, returning late Monday evening. Mr. Reid was discharged from the army at Mitchell Field, L. I., after almost a year's service overseas. He enlisted in the air service in March 1918 and was first located at Jefferson Barracks. Later he was at Kelly Field, San Antonio, Tex., and at Wilbur Wright field, Dayton, O. It was in July, 1918, that Mr. Reid was sent overseas. He saw service at various points until December 1 when he was transferred to the First Headquarters Flight Field at Chaumont.

This field is located near one of the most active fronts of the entire war zone, and life there was far from monotonous. It was in this section of France that all the Liberty motors sent from this country were assembled, fitted and hurried to the front. Chaumont was also located on one of the aerial mail routes established during the war period, and a signal station for aeroplanes was maintained there although no stops were made at this point. Mr. Reid held the rank of chauffeur for some time prior to the time of his discharge from the air service. He returns in fine condition and while he found the experiences intensely interesting is glad to once again return to civilian life.

Fred Kohr of Pisgah was a traveler to the city yesterday.

RUNAWAY MULES PURSUED AUTO

An accident which happened on the country road north of Alexander recently brought about no bad results altho it might have been serious. S. T. Erixon was driving in a sedan car, accompanied by O. E. Conklin, when they passed a man driving a team of mules attached to a mower. As the car passed the mules the driver waved his hand at the occupants of the car. This act frightened the mules and they jumped forward so suddenly that the driver was thrown from the seat of the mower heavily to the ground. He was uninjured save for a sprained finger, but the mules promptly proceeded to run away.

They were running in the same direction as the car and gaining on it when the occupants happened to look back. Mr. Erixon immediately gave the Ford more gas and so easily kept out of reach of the oncoming mules and the threatening sickle bar. The race between the car and the mules continued for three fourths of a mile. By this time the animals slowed down from exhaustion and a little later Mr. Erixon stopped the car and caught the run-aways.

LAST HONORS TO CAPT. JOHN E. WRIGHT

A Large Gathering of Friends Both at His Home and at Murrayville Gather to Respect His Memory.

A large gathering of neighbors and friends assembled at the late home of Capt. John E. Wright to unite in paying respect to the memory of a man so widely known and honored. The services were plain and in keeping with the wishes of the deceased. Rev. W. H. McGhee, pastor of the Methodist Episcopal church at Murrayville, read a psalm and Mrs. C. R. Short and daughter, Miss Florence, both of Murrayville, most sweetly sang, "Will Our Circle Be Broken?" Mr. McGhee then offered a fervent prayer after which the room was cleared about the casket and a large gathering of veterans of the Grand Army filed in and the beautiful ritual of the order was carried out.

The number of old soldiers present was remarkable. Almost every one in the city not an invalid were present there being by actual count 36 in addition to J. C. Lacey of Cass county and a member of Co. G, First Missouri Cavalry.

At the close of the services the large funeral train started for Murrayville where the remainder of the exercises were to be held in the Methodist church of that place. Dr. G. W. Miller conducting the exercises assisted by Rev. W. H. McGhee, pastor of the church. The latter read the 90th psalm and from the 12th verse of the same, "So teach us to number our days that we may apply our hearts unto wisdom." Dr. Miller delivered an earnest discourse dwelling on the good qualities of the deceased and bidding all prepare for the great change to come to all.

Clifford Short played the accompaniments while a quartette composed of Mrs. Austin King, Mrs. W. H. McGhee, Miss Florence Short and George Coultas sang, "Gathering Home, One by One," and "Beautiful Isle of Somewhere." Mrs. Ruby Brown of White Hall sang very acceptably the beautiful song entitled "Shadows," and then the remains were tenderly borne to their last resting place in Bethel cemetery, the bearers being A. H. Kennedy, Lee Wyatt, Murrayville; G. L. Riggs, J. E. Osborne, J. H. Dial, Jacksonville, and J. M. Campbell, White Hall.

Many lovely flowers and wreaths were cared for by Mrs. Frank Piper, Mrs. Jane Wright, Mrs. Barton, Mrs. Ranshall and Miss Eloise Strang.

STAR CAMP R. N. A. IN REGULAR MEETING

At the regular meeting of Star Camp No. 171 Royal Neighbors of America held Tuesday evening in Woodman hall six candidates were initiated.

A discussion of the proposed increase in rates was also had but no definite action was taken. This matter will be brought up for disposal at the regular meeting two weeks hence.

A pleasing feature of the evening was the presentation to Mrs. Pauline Gomez, the retiring orator, of a beautiful cut glass dish as an appreciation of her long and faithful service to the camp. The presentation speech was made by Mrs. Mary A. Olds.

A QUESTION ABOUT ROADS

Editor Journal: What is the matter with the road officials who oversee the road districts west and northwest of Jacksonville?

In talking with a Springfield traveling man who is working among the farmers, he stated that nowhere in his travels has he encountered such rough roads as those between here and Chapin, especially where the state money was spent for grading and oiling two years ago.

It is a pity to spend thousands of dollars of state money in making an improvement, and then fail to keep the road in repair. In some places there are wagon ruts many inches deep in the center of the road.

Farmers as a class are in favor of good roads, but not in favor of wasting money paid in taxes for road improvement.

A West County Farmer.

NOTICE

All farmers and business men of Alexander and adjoining vicinities are requested to meet at Beerup's hall Wednesday evening, July 9th at 8:30 for the purpose of organizing a Farmers' Elevator Company.

BOXING TONIGHT

At the carnival Tuesday night Al Baldwin boxed three lively rounds with "Frisco Kid," and a good showing was made by Baldwin. Al Baldwin has accepted a challenge for a four round bout tonight with "Frisco Kid." Show will start with two good preliminaries, one a battle royal between four colored boys. Everyone expressed himself as well pleased with last night's show and that he got his money's worth.

ATTENDED LIBRARY MEETING IN EAST

Miss Barrette Returns From Interesting Conference at Asbury Park Enlargement of Local Library Possible.

Miss Lydia M. Barrette, public librarian, is in the city again after a visit in the east. Miss Barrette with a number of other Illinois librarians, went from Chicago to Asbury Park on board the special carrying librarians of middle west to the National Library convention held in the New Jersey city week before last. The main sessions were held in the great auditorium seating 10,000 persons, while the smaller meetings were held in the ball room of the new Monterey hotel.

Of the sectional meetings, that pertaining to the public school was one of the most interesting and it was to this one that Miss Barrette devoted particular attention. The need of more books of science in the average school library was urged. The fact that books of this character are expensive and are soon out of date has been one of the main reasons that they are not provided as extensively as it is the case with those on history and literature.

Mr. Dana of the Newark public library, one of the most up to date institutions of the class in the country, made the statement that the war work which had been done by the libraries of this country was by no means as extensive as should have been the case. According to this speaker the achievements of the past have not been such as to justify any great feeling of complacency. He urged the adoption of a program for the future which would far outdistance anything done in the past.

Hospital Service Emphasized
Another branch of library work emphasized was the hospital service, supplying books for convalescent patients at the various hospitals within a city. This service was inaugurated in the local library more than two years since, the work being in charge of one of the library helpers.

From Asbury Park Miss Barrette proceeded to New York City. Here she was able to arrange an interview with Mr. Bertram, secretary of the Carnegie Foundation, with reference to further donations for the local library. It was stated, however, that the foundation will withhold any further donations until after the next census, which will be taken in the year 1920. The scope of the local library's work has increased to such an extent that the need of larger quarters is beginning to be felt, and it is the hope that an additional gift can be secured at a later period which will make possible the necessary enlargement.

Among the great libraries visited were the New York public library, the Newark public library and the Schenley high school library at Pittsburgh. In the latter institution three trained librarians are employed with salaries ranging from \$1,800 to \$2,500 a year. Another point of interest visited was the Washington Book Shop in Greenwich village.

of used cars. Special bargains. L. F. O'Donnell, Paige Dealer, 228 W. State

LIBRARY BOARD HELD MEETING

The library board held its regular monthly meeting in the library Tuesday afternoon with a good attendance of members. The regular routine business was transacted. A committee consisting of J. M. Butler, Rev. W. E. Spoons, and W. B. Rogers was appointed to take up the matter of having South Sandy street adjacent to the library oiled. The street is very dusty during the summer months and does much damage to books in the library.

A committee consisting of Mrs. Floreth, W. D. Doying and Miss Wakely was appointed to take up the matter of having the ceiling painted in the library. Miss Barrette recommended a list of books to be purchased for July and they were ordered purchased. Mrs. M. H. Havenhill was named to represent the library board in the Community Council.

FORDSON TRACTOR
Price cut to \$750 F. O. B. Dearborn, Detroit. Call or write W. N. Bobbitt, distributor, Chapin, Ill.

A CORRECTION

In an article appearing in the Journal Tuesday morning it stated that the Community Council would be organized Wednesday morning. It should have been stated Wednesday evening at 8 o'clock. In the list of names the name of Brady should have been William J. Hardy, who was chosen as a representative. Mrs. E. P. Kirby and Mrs. Sherman Leavitt were also chosen as representatives. The Jacksonville Council is soon to have a called meeting to discuss plans and projects and to plan for a big open community meeting when Mr. Hugh Green and Dr. Myron L. Pontius will talk on the purpose and plans of the Community Council. Another feature of the program will probably be a community sing which will be in the hands of specialists in that line. Everyone will be welcome to this open meeting.

The clinic truck will be in Woodson Friday and parents are urged to bring the children to the truck, which will be in the school yard, to be examined. They are advised to bring their lunch and stay there a greater part of the day.

JUST RECEIVED ANOTHER ASSORTMENT OF WHITE WASH SKIRTS ALL SIZES WHICH ARE SPECIALLY PRICED FOR HERMAN'S BIG SALE.

WINCHESTER MAN TO LOCATE IN IOWA

Charles Wilmot to Sever Connection With Hainsfurther Store After Thirty Years' Service—Robyn Dyer Returns from Army Service—Other Items.

Winchester, July 8.—Charles Wilmot has severed his connection with the Hainsfurther clothing store and will take a position as traveling salesman with territory in Iowa. Mr. Wilmot has been connected with the Winchester store for the past thirty years, and has many friends who will regret to have him leave the community. Robyn Dyer arrived Tuesday morning from Camp Grant. He has just returned from overseas service, where he was with the supply company of the 3rd field artillery. Young Dyer was one of the first Scott county boys to enlist.

Mr. and Mrs. Ray Windsor and daughter returned Tuesday to their home in Dorchester after a visit here at the home of Mr. and Mrs. Earl Nnelson.

William Kuechler, who has not been so well for the past few days, returned Monday to Our Savior's hospital in Jacksonville.

William Williams of Pekin is visiting relatives and friends here. An item in the Journal of Tuesday morning stated that Fred R. McLaughlin had his car stolen Sunday evening and that it had been recovered. The car was stolen but has not yet been recovered as was previously reported.

Corp. Louis C. Williams, who served in the 22nd engineers and whose home is at Barrows, is visiting his sister, Mrs. W. R. Johnson and family here. He has but recently returned from overseas service.

T. D. Smith has purchased the late John Markillie homestead on Main street.

Roy Butterfield and family of Moline are visiting relatives here.

Misses Kathleen and Dorothy Oehler expect to leave Wednesday for Chapin, where Miss Kathleen will take part in a recital to be given by the pupils of Miss Ruth Hatches Wednesday evening. Miss Oehler will give two readings.

Miss Margaret Murphy was a Jacksonville visitor Tuesday.

REV. AND MRS. NYMAN HOME FROM COLUMBUS

Attended Centenary Celebration and Also an Illinois Woman's College Reunion and Banquet.

Rev. and Mrs. C. A. Nyman returned Monday from Columbus, Ohio where they attended the Centenary celebration of Methodist churches.

They report a most pleasant time except for extremely hot weather. The event was the biggest in the history of the church. At one meeting they had a chorus of 200 trombones. There were 5,000 people present at the concert and Rev. Mr. Nyman had the honor of being the speaker on this occasion.

Perhaps the most delightful feature of the trip, however, was the reunion of present and former students and friends of Illinois Woman's college. Thirty-one were present and enjoyed a chicken dinner. Grace was said by the Rev. G. W. Flagg a former pastor of Centenary church.

Following the dinner Mr. Nyman acted as toastmaster and the following sentiments were responded to:

Tribute to Dr. Harker—Dr. J. W. VanCleve secretary of the commission on finance.

I. W. C. as Regarded by Chicago—Rev. A. F. Clark, Chicago, superintendent of northern district.

I. W. C. and the Illinois Conference—Rev. E. L. Pletcher district superintendent Jacksonville. I. W. C., its Problems and Secretary—Dr. John W. Hancher secretary board of education Methodist churches, New York City.

Reading—Miss Louise Reed, Tulsa, Okla.

Miss Winnifred Willard a daughter of Dr. James P. Willard formerly of this city now of Denver, Colo., was a visitor and attended the banquet.

A photograph was taken of the group before adjournment was taken.

SPECIAL PRICE

SLIP OVER SWEATERS, ALL WOOL AND FIBRE SILK OFFERED LESS THAN MANUFACTURERS COST AT HERMAN'S BIG SALE.

Earl G. Gardiner's company will play a summer stock engagement in Jacksonville starting Monday, July 14th in a big tent on the Billy Sunday lot. During the last three winters this company has played 300 nights in Ft. Dodge, Iowa and 150 nights in Galesburg, Ill. They will put on nothing but high class plays with special scenery and vaudeville between acts. They will change plays three times a week, Monday, Wednesday and Friday nights. The opening play will be "The Higher Law," a society comedy drama in four acts.

Special prices for Monday night. Ladies 15c; men 35c; boys 25c. War tax included.

Mrs. Edward Joy of Joy Prairie was a traveler to Jacksonville yesterday.

\$12.50 to \$20

Straw Hats, Silk Shirts, Sport Shirts, Soft Collars, Hosiery, Athletic Underwear.

Golf Goods **MYERS BROTHERS.** Bathing Suits Cotton or Wool

Save Your Grain

Too often we are neglectful after obtaining a good crop and do not rightly prepare to save what we have obtained. When threshing, you need a tight wagon bed, one that will not leak out the wheat, rye or oats. For efficient work in the field you need a low wheel truck

to assist the men in loading. This is economy in time and saves horse flesh by hauling one good sized load instead of two small ones. The metal wheel truck never gives you tire trouble. We've prepared to take care of your needs at a figure that will justify you in coming to investigate, then purchase.

ASHLAND GIRL WEDS IN SPRINGFIELD

Miss Mary Massey is Bride of Frank J. Botts of Decatur—Ladies Aid Society Meets—Other Ashland News Notes.

shland, July 8.—Frank Julius Bates of Decatur and Miss Mary Massey of this city were married Thursday afternoon in the sun parlor of the Leland Hotel at Springfield. Rev. C. A. Burton, pastor of the local Christian church officiating. About seventeen relatives and friends composed the wedding party. An elaborate wedding dinner was served at the hotel.

Miss Massey is an accomplished musician having finished at Millikin university at Decatur. She is much loved and esteemed by her many friends here. Mr. Botts is a civil engineer and a promising young man. After a short wedding trip north they will be at home after July 15th at 1212 North College street, Decatur, Illinois.

Miss Mae Virgin returned to her home near Virginia yesterday after a week's visit with her aunt, Mrs. L. O. Butler, south of town.

Iryl Jones has returned home from overseas service.

Mr. and Mrs. S. P. Reed and son and Miss Gertrude Blank motored to Piassa Sunday, returning Monday.

Mrs. and Mrs. J. E. Good and Mr. and Mrs. Ed Hewitt attended the funeral of the former's niece, May Eloise Good, Wednesday afternoon at Decatur.

Rev. William H. Murphy, pastor of St. Augustine church here, has returned home after spending several months in Texas for the benefit of his health.

Rev. C. A. Burton spent the Fourth with Mr. and Mrs. J. W. Fletcher in Decatur.

Lee Watkins and family of Maxwell spent Sunday here with home folks.

The ladies aid society of the Christian church spent a very pleasant afternoon last Thursday at the country home of Mrs. Sue Cosner west of town. About twenty five were in attendance and enjoyed the fried chicken dinner which was served.

Mrs. J. L. Martin has been confined to her home the past few days, suffering with rheumatism.

TO PERFECT COUNTY ORGANIZATION

The county organization community council meeting will take place in the circuit room Wednesday evening, July 9th at 8 o'clock.

At this meeting the representatives that were chosen at the meeting Monday night will meet the representatives from the county precincts.

It is hoped that every precinct will have a representative or chairman at the county meeting Wednesday evening.

John T. Walbridge who is superintending the building of the big water dam went to St. Louis yesterday on business.

BRIEF PARAGRAPHS FROM MANCHESTER

Special Services at Baptist Church Next Sunday—Rev. F. T. Peters and Children Leave for Visit in Indiana and Ohio—Other Items.

Manchester, July 8.—The following will be the services next Sunday at the Baptist church: Sunday school 9:45; Preaching service 10:45, subject: "God's Message." B. Y. P. P. 6:30 leader Mrs. Hess. Special music for all services. Evening service at 7:20, special lecture, "God's Love for the Sinner."

FOR SALE

AT PUBLIC AUCTION

The property at 1008 W. State St., Jacksonville, formerly occupied by Dr. Day's hospital, will be sold at public auction on Tuesday, July 15th at 2 p. m. Building open for inspection daily. A rare opportunity to secure a valuable property at a bargain. Chas. M. Strawn, auctioneer.

W. B. Whitlock of Springfield was a business visitor in the city yesterday.

FOURTH WAS QUIET DAY IN BLUFFS

Many Residents Celebrated Day at Other Points—Royal Taylor Returns from Great Lakes Station—Other Items of Interest.

Bluffs, July 7.—The 4th passed very quietly in the village with an occasional sound of a fire cracker or two. A goodly number spent the day elsewhere and many enjoyed the celebration in Jacksonville, returning home in the cool of the evening. The few who remained at home had to face an ice and bread famine but a few fortunate ones secured their ice in Naples and Meredosia.

Mrs. Clara Adams of Petersburg is visiting at the Otto Bossee home.

Mrs. Pearl Beatty and children and Mrs. C. A. Jackson of Chapin spent the 4th with friends in town.

Royal Taylor, who has been stationed at the Great Lakes naval station, returned home from camp Wednesday after an absence of 18 months. He was among the first to enlist, anxious to go across but never saw service.

Wm. Frohwitter of St. Louis is the guest of his brothers, August and Ben Frohwitter and families.

Conductor Charles Ward and family of Quincy have moved into town and are occupying the J. C. Lewis property, formerly owned by Dr. E. D. Canatsey.

Miss Veta Mueller who is attending summer school at Normal returned home for a few days' visit with her parents, Mr. and Mrs. Wm. Mueller.

Bernie Lathrop who is attending school at the Gem City Business college at Quincy returned home to spend the 4th.

Rev. Taylor and family who have been attending the F. M. conference at Greenfield for the past week, returned to Valley where they spent the 4th attending an all-day basket meeting at the church. Rev. Taylor is the F. M. minister at this point.

DURBIN.

The Ladies Aid will hold a meeting at the church on Wednesday afternoon. A full attendance is desired. Election of officers will be held.

Mrs. Will Gregory and sons Harold and Robert of Pomona, are visiting Mrs. J. W. Scott.

Mrs. Mitchell and daughter Ruth, of Sangamon county are guests at the McDavitt home.

Mr. and Mrs. Ira Scott of Springfield, spent Saturday with his brother, Edward and family.

The Homemakers Circle picnic which was to have been held at Mrs. Hawker's home next week has been postponed until next month.

The Standard Oil Company (Indiana) and Industry

The phases of usefulness the Standard Oil Company (Indiana) renders as a public servant are varied.

One of the services not generally known, which the Company must render, is to assist industrial institutions in keeping down their manufacturing costs.

The Company maintains a staff of highly trained lubricating engineers, whose business it is to go into industrial plants, make a careful and thorough study of their mechanical equipment, and determine what lubricants are best suited to each machine under the prevailing conditions.

Their constant effort is to keep down manufacturing costs by specifying the particular oils and greases that will enable the machinery to deliver a maximum of service at a minimum of cost.

The work of the lubricating engineers is a part of the comprehensive service the Standard Oil Company (Indiana) renders.

This is another phase of the usefulness of the Standard Oil Company (Indiana) as a public servant, showing the constant effort being made by the Company to discharge its obligation in a complete and satisfactory manner.

	25c	79c		Basement	\$1.25	25c	

TODAY OUR 39th ANNUAL JULY SALE STARTS

ENDS SATURDAY, JULY 19th.

The Sale That is Generally Recognized as One of Jacksonville's Greatest Sales.

Never in all our experience has it been so difficult to prepare for a sale of this kind at this season. That prices are advancing almost daily is a matter of common knowledge. The cost of raw material has doubled in the past four years. The cost of dyeing, too, has more than doubled, and the labor cost in the making has trebled. Under such conditions the gathering together of such a vast collection of dependable merchandise to sell at such sensationally low prices is an achievement of which we feel justly proud.

The prices are so low in the light of the present market, that the values are actually better relatively than those offered in past years.

Important Notice

Because of the great variety and the limited quantity of some kinds, we cannot accept mail or phone orders or make charges in this sale. No goods on approval. We limit amounts in some cases.

For weeks and months past we have scoured the markets, meeting with disappointment at almost every turn. For a time the difficulties seemed insurmountable, but our annual sale must be held and tremendous sacrifices on our part, together with the co-operation of some of America's leading dealers have at last made it possible. Indeed so extraordinary are these offerings that we feel safe in predicting the greatest July Sale in our history. Shrewd buyers will supply their needs for the entire summer and fall in this wonderful sale. We cannot too strongly urge you, therefore, to be on hand early for first selections.

You May Choose From a Vast Variety of High Class Merchandise in Every Department
